Kimmy[★] and the Little Planet Helpers

1 STORY DISCUSSION

Use these questions to encourage discussion and help children think about our world.

- 1 Why did Kimmy pick up the litter?
- 2 Where does rubbish go when it rains?
- 3 How can we help keep our playground and community clean, and protect the rivers and oceans?
- 4 What are some ways we can look after animals that live near the rivers and oceans?
- 5 How did helping make the children feel?

Small actions today can make a big difference tomorrow.

HOW LITTER REACHES THE OCEAN

Our actions on land can affect animals in the ocean.

1 It starts on the street.

Litter can be dropped without us thinking.

2 Rain washes it down the drain.

Stormwater carries litter along the gutter and into the drain.

3 It flows into creeks and rivers.

The litter travels through pipes and into our local waterways.

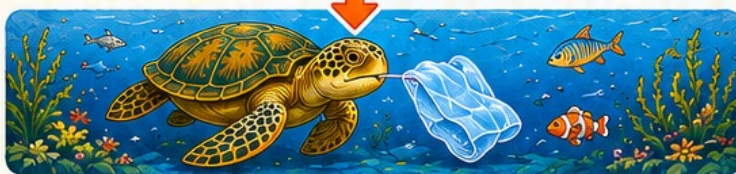

4 It can end up in the ocean.

Litter moves with the water all the way to the sea.

5 Animals can mistake it for food.

This can make them sick or even hurt them.

6 Together we can keep our oceans clean!

Put litter in the bin and help protect our beautiful planet.

★ Even small items can cause big problems.

★ Our choices today can protect ocean animals tomorrow.

Be a Little Planet Helper every day!

CLASSROOM ACTIVITY IDEAS

Try these fun and simple activities to inspire
🌿 kids to care for our planet! 🌿

NATURE DETECTIVES

Go outside and explore! Look for leaves, birds, bugs and beautiful things in nature. Talk about why it's important to protect them.

LITTER SORT

Collect clean recycled items and sort them into recycling, compost and rubbish bins.

CREATE & CARE

Make posters, drawings or stories about keeping our oceans and rivers clean.

STORY TIME

Read stories about nature and animals. Talk about how our choices can help protect their homes.

KINDNESS CHALLENGE

Do one small kind thing each day for our planet—pick up litter, save water, turn off lights, or reuse!

TEAM UP!

Work together on a classroom clean-up or start a Little Planet Helpers wall of ideas and actions.

OUR PLANET NEEDS US!

These simple actions make a big difference!

SAVE WATER

Turn off taps and use water wisely.

REDUCE WASTE

Use less, reuse more, recycle what you can.

SAVE ENERGY

Turn off lights and devices when not in use.

BE KIND

Care for plants, animals and each other.

KEEP IT CLEAN

Put litter in the bin and keep our lands and waterways beautiful!

Together, we can create a happy, healthy planet for everyone! 🌿

PARENT INFORMATION

Little actions today help build
a kinder, healthier planet for tomorrow.

HOW YOU CAN HELP AT HOME

BE A ROLE MODEL

Children learn by watching you. Show them that caring for the planet is part of everyday life.

TALK ABOUT IT

Chat with your child about nature, animals, recycling and how we can look after our Earth.

MAKE IT FUN

Turn eco-actions into games and challenges. Celebrate small wins together!

SPEND TIME OUTSIDE

Explore parks, beaches and gardens. Nature connections build lifelong care. better world.

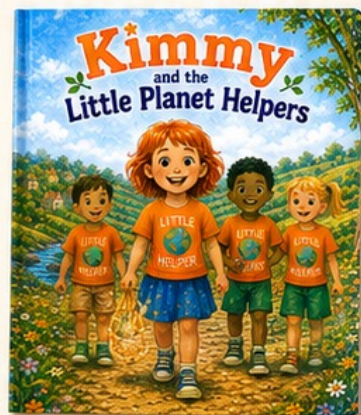

ENCOURAGE KINDNESS

Help your child care for plants, animals and people. Kind hearts create a better world.

ABOUT THE BOOK

Join Kimmy and her friends on a heartwarming adventure that shows children how little actions can make a big difference.

- ♥ Inspires empathy and responsibility
- ♥ Teaches simple ways to help our planet
- ♥ Perfect for ages 3–8
